REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1-16 are allowable over the prior art because the prior art does not disclose or suggest: creating a filter structure using a parameter of a periodic pulse train, the filter structure having a plurality of time slots, each time slot being associated with a memory value; incrementing the memory value associated with the time slot corresponding to the time a pulse was received and transmitting the pulse to a processor if the memory value does not exceed the threshold.

Claims 17-19 are allowable over the prior art because the prior art does not disclose or suggest: a periodic pulse filter coupled to a pulse detection circuit, the periodic pulse filter operable to : use a parameter to create a filter structure having a plurality of time slots, each time slot being associated with a memory value; increment the memory value associated with the time slot corresponding to the time a received pulse arrived and filter the pulse if the memory value exceeds a threshold.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
